Well Done!
With the huge number of messages and instructions that fill our busy world here at Hambledon State School it is sometimes easy to forget the little things that make the school such a great place to learn and work. Every day we see students trying their very best, learning in every class, we see students helping others in times of need and supporting their friends. Out in the playground, each day we see our students getting along with one another, enjoying their games and even those that pick up the litter of others and put it in the bin. So although many of these things may not be formally recognised by awards or announcements, they are happening at our fantastic school every day. So, well done and thank you to our students, staff and community for making the school a better place.

PB4L
The Positive Behaviour for learning team is currently reviewing the behaviour lesson plans that were carried out and taught in every class throughout the year. The lessons will continue into 2015 and we have been pleased to see the impact that they have had. The team will continue to make a focus on positive behaviour recognition and the designing of focussed, relevant behaviour lessons. This is very important work and it impacts on each and every student. As you know, the goal of the team is to maintain a positive atmosphere in every classroom and every area of our school. The PB4L class focus for the last two weeks of school will be a review of lessons taught so far and embedding positive systems.

2 More Weeks
As our students are reminding us, there are 2 weeks left of school! During this time it is important to remember our values and conduct should remain in place right up to the last day. Our classes will be learning until the last day and our goal is to see out the remainder of the year in a positive and productive environment. We have the up-coming Sugar World excursion, leavers’ parade and disco. Last week we had the P-7 discos run by our P&C members. The school will continue to be a very busy place right up until the final bell. As always, if you have any questions or concerns please talk to your class teacher as your main contact or call the office.

2015 STUDENT INFORMATION UPDATE
We are currently organising class lists for 2015. In order to do this effectively we need to know if your child/children will be leaving Hambledon State School at the end of this year.

If you are intending to take your child to another school in 2015 please inform our front office in person or by returning the completed slip below.

Student name:__________________________________________

Leaving Hambledon State School and going to__________________________________________

**SCHOOL NEWS**

**KID’S CORNER**

This term 3A has been learning about and creating poetry. Each student created a poem about the Beach. They thought about past experiences and what they could see, feel and hear when spending a day at the Beach.

**SCHOOL INFORMATION**

**Piccone Community Citizenship Awards**

Our presentation ceremony to acknowledge our active citizens will take place in the SHAC (School Hall Activity Centre) on Friday 5 December at 9.15am. Everyone is welcome to attend. Parents whose students will receive a Bronze, Silver or Gold Award will receive an invitation. Again we take this opportunity to thank Mr Piccone who created and sponsors these awards. The co-ordinators were pleased to read about student involvement in school activities as well as the number and variety of activities within the wider community.

**Student Council Charity Event**

This week the Luke’s Gift team will be selling wristbands that students can wear to school for this week only. Our Student Council will join Luke’s Gift fundraising with their ‘Loose Change for Luke’ idea. The Student Councillors invite everyone to contribute some loose change throughout this week. Councillors will be present in the playground rattling some tins in case students wish to donate their change from tuckshop or wristband buying. Others may wish to donate a gold coin at any time during the week – just because you want to help out. Students can make a contribution to the library, or hand it in to their class teacher for sending on. We thank everyone in anticipation for your support with our final charity fundraising event this year.

---

**Library End of Year**

Our student borrowing period is finished for this year. We ask all students with outstanding books to ‘seek and find’ so the items can be returned before the holidays. Should any books be found on the holidays we ask you keep them safe so we can welcome them back in 2015. I take this opportunity to offer a sincere THANK YOU to our wonderful Library Assistants in 2014. They have successfully implemented some new activities this year – Pop Up Paperback Library for the Junior School, and Mystery Books for Year 4-5 and 6-7. As well they have supervised class borrowing, attended meetings and had valuable input into the operation of the library. Helping others and learning more about books and searching in the library has been an enjoyable learning experience for them.

**Hambledon Playschool End of Year Celebration**

It is time to celebrate the last week of Hambledon Playschool for the year and to thank all the families who have attended our playgroup in 2014. Children have had lots of fun playing, singing, drawing, creating, exploring, writing, counting and making new friends throughout the year. This term, the children have been busy learning all about starting school. Starting Prep is a very exciting and special time for children and families.

Please come along to our end of year morning tea and enjoy a fun session full of Christmas craft and a special presentation for children leaving our playgroup and joining the Big school next year.

**Who:** Children and families who have attended our playgroup during 2014

**Where:** Hambledon State School Hall

**When:** Wednesday, 3 December 2014

**Time:** 9:00am – 11:30am

**Bring:** Small plate of food
**Parents Corner (P&C Meet once a month)**

### P & C NEWS

**Guitar and Keyboard Tuition**
The P & C is looking into establishing guitar and keyboard tuition after school at Hambledon in 2015. Please contact Nicole Bailey for more details 0401906258.

**Did you know...**
If an executive committee of the P & C Association cannot be filled, the P & C Association for the school cannot operate. What does this mean? It means the tuckshop would close (including loss of jobs), vital extra funds are not available to support the school, no Mothers or Fathers Day stalls or sports day BBQ’s and no volunteers within the classrooms would be able to help out. This is because insurance is covered by the P & C for volunteers. So this would mean, no reading support, reading groups, or parental help in classrooms is possible. Imagine the affect on your childs schooling??

Please consider joining the P & C next year. Sadly, our numbers are very low and we are facing having no P & C in the future....

Thank you to all parents, teachers, volunteers and students for making our last disco for 2014 a huge success. The level of behaviour was so much better and the volunteers were impressed with the manners and attitude of our students.

We hope everyone had a great time and look forward to holding more fun filled events for the school.

Once again, thank you to those that gave up their time to help out. These events take a lot of preparation, planning and organising behind the scenes and every bit of help, no matter how small, is much appreciated.

### TUCKSHOP NEWS

**TUCKSHOP ROSTER**

Ring by 8:00am if you can’t make it!
